

NJ DVRS

Business Outreach Team

The Division of Vocational Rehabilitation Services' (DVRS) Business Outreach Team explains the many benefits of hiring employees with disabilities. DVRS helps willing employers accommodate employees with disabilities, and ensures job candidates have the workplace skills they need to be exemplary employees.

We invite you to call our business outreach team today to learn the value of hiring – and empowering – qualified candidates from this unique labor pool.

Services Available to Businesses

- Consultations with businesses to determine staffing and training needs
- Access to a new talent pool of qualified candidates
