

One-Stop Career Center Jobseeker Services

Looking for a job?

- **Professional employment counselors**

Our counselors have the latest pointers on the best ways to find work in today's economy, and they're ready to share it all with you – free! No matter what kind of job you had or what kind of job you're looking for, we'll give you solid advice and help you develop a winning plan for your job search.

- **One-Stop Career Centers in every county**

Visit any of our convenient locations throughout New Jersey to meet an employment counselor, use our public computers to look for a job, or find out more about the other great programs and services we have for anyone in the job market.

- **Personal attention**

We offer many programs and services especially for people who might need extra help finding work. Be sure to tell your counselor if you fit into one of these groups: laid-off workers, youth, ex-offenders, people with limited English skills, and people without a high school diploma. Many offices also have vocational counselors for people with disabilities, and Veterans Reps for former military personnel who are making the switch to civilian careers.

Need new skills?

- **Skills assessment**

Ask your counselor for a skills assessment to determine your strengths. With this information, you can find jobs that match your skills, or learn new skills to make it easier to get a job in today's market.

- **Free computer tutorials**

Refresh your math, English, or basic computer skills with free computer tutorials. Ask your counselor about the Workforce Learning Link programs available at One-Stop Career Centers and other convenient locations.

- **Financial help**

You may be able to get financial aid, tuition waivers, or training grants to learn skills that can help you qualify for a good job.

- **Training**

Apprenticeships and on-the-job training build skills while providing a paycheck. Talk with your counselor about requirements for these opportunities.

One-Stop Career Centers

- **Jersey Job Clubs**

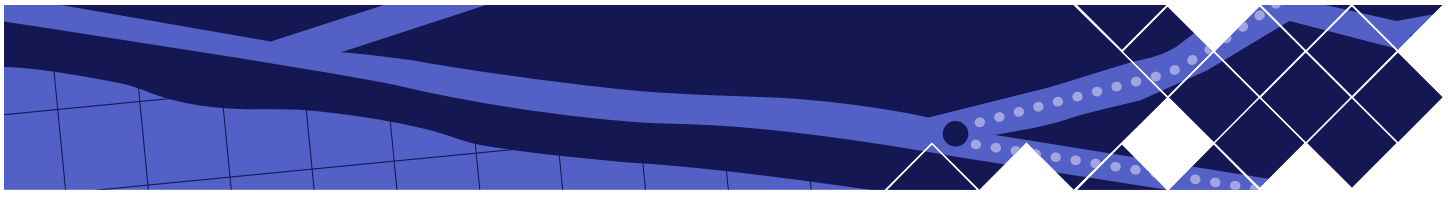

Most One-Stop Career Centers host a Jersey Job Club, where jobseekers from all backgrounds regularly meet to network and help each other reach employment goals. Meet other people, share ideas, and get encouragement as you fine-tune your resume, polish your image, and motivate yourself to land that next job.

- **Free job-search workshops**

One-Stop Career Centers and Jersey Job Clubs offer frequent workshops on how to write a good resume, give a strong interview, market yourself effectively, use labor market information in your job search, find training, and more. If it has been awhile since you've looked for a job, get the latest information here.

- **Job fairs**

Look for a calendar of job fairs all over New Jersey on careerconnections.nj.gov. When you go to one, remember to bring your resume, and dress to make a good first impression!
