

ROOFING

ACADEMY

Your Pathway To a New CAREER

Roofer

Average starting wage: \$41,600/year, \$20/hour
(Experience Workers Average \$75,000)

Job Outlook: Employment of roofers is projected to grow 11% by 2026, faster than the average for all occupations. Most of the demand for roofers will stem from roof replacements and an aging workforce

Program Details

- This program will focus on teaching the basics of steep slope roofing and solar integration. The graduate of the class will have the knowledge and skills to enter into the roofing/solar industry.
- Graduates will be provided a set of basic roofing hand tools.
- Graduates will receive a certificate of completion as a GAF roofing academy certified graduate
- Upon completion, graduates will have the opportunity to interview with our certified contractors in the state of New Jersey for full-time employment
- Transportation to and from training facility is the responsibility of the attendee.
- Light breakfast and lunch provided each day.
