

# RECRUITMENT EVENT WITH:

New World Stainless strives to be the industry leader in consistently providing the highest quality small diameter welded stainless steel and high nickel alloy pressure tubing. Our intent is to redefine service in the marketplace. We will provide a comprehensive product that includes premium material with multitude value-added components. Integrity, vision, and passion will continue to define our team, collectively representing several hundred years of industry experience, and enable us to build long term successful relationships with both customers and suppliers. Located in Somerset, NJ.

## Machine Operator/Tube Mill

Seeking applicants to perform a variety of duties covering all Mill Operations. Past experience as a Tube Mill Operator is ideal, but not necessary, as we are willing to train the exceptional candidate. Acceptable applicants must be dependable, cooperative, and team oriented. Strong math skills and attention to detail are required. The responsibilities of the position will include: set up, operation and monitoring/control of mills and any auxiliary equipment, and quality control analysis throughout the manufacturing process to evaluate and ensure the superior quality and performance of the product. Shifts are 12 hours, with daily overtime included. **Excellent compensation & benefits.** 1-year exp. preferred, but not required. **\$18-25/hr. DOE.**

## Production Worker

Seeking a highly motivated applicant with a positive attitude who is willing to perform various production floor activities in a tube manufacturing facility. The candidate we choose: must be willing to train for multiple positions, must be able to work as a member of our team, and must possess mechanical ability. Some light lifting required. The capacity to adhere to timelines and meet set deadlines, as well as dependability and a personal dedication to excellence are absolutely essential to the individual's success as a part of our team. Basic mechanical skills or experience are a plus.

Shifts are 8 - 12 hours, with regular overtime. First and second shifts available. **Excellent compensation and benefits.** 1-year experience preferred. Full-time position. **\$16-18/hr. DOE.**
