-Division of Vocational Rehabilitation (DVR) 5 Veterans Memorial Drive East Suite 101, Somerville, New Jersey 08876-2952
Phone: 908-704-3030

Counseling and guidance/information and referral: VR counselors will offer assistance and coordinate client services consistent with individual employment goals and provide information regarding other available services.

Job search skill development: Guidance in work-search activities, such as resume writing, interviewing, travel, and the job search.

Placement services: Through one-on-one assistance, customers develop job search and interviewing skills, obtain job leads, and receive support during the job search. Depending on the customer's needs, placement services may include interviewing skills training, soft skills training, on-the-job training (OJT), supported employment (SE), or time-limited job coaching (TLJC).

Time-Limited Job Coaching (TLJC): One-on-one assistance in applying for jobs and/or on-the-job coaching after a job is obtained. Services are time-limited.

Supported Employment (SE): Customers who require an intensive level of job coaching are referred to a supported employment provider for one-on-one assistance in job searching, interviewing skills training, and applying for jobs. The supported employment provider delivers on-the-job coaching to assist the customer in learning job duties and adjusting to the work environment. SE also includes periodic follow-up to make sure the consumer retains his or her job.

Assistive technology evaluations: Assesses an individual's ability to drive, as well as determines equipment needed to drive safely.

Diagnostic evaluations: Evaluates medical, psychiatric, physiatric, psychological, neurological, or physical barriers to employment to determine eligibility. Evaluations may also be done to determine the client's needs throughout the rehabilitation process and to provide restorative and accommodation services.

Emotional restoration services: Short-term individual, group, or other counseling to reduce mental health and emotional problems and improve work tolerance and the client's ability to get and keep a job.

Physical restoration: Satisfies client's equipment or therapeutic service needs so that the client is able to work. Service addresses physical, occupational, speech therapy, or cognitive therapy needs. Physical Restoration can include helping the client obtain prosthetics or orthotics, such as artificial limbs, braces, special shoes, hearing aids, and eyeglasses (in some instances).

Benefits counseling: Clients who are recipients of SSD/SSI benefits may be referred for Work Incentive Planning and Assistance counseling (WIPA) to determine how working may affect their benefits. Benefits counseling is provided through NJWI NS or Full Circle Employment Solutions.

Financial needs assessments: Assesses financial needs of the customer for acquisition of services. DVRS provides "Cost" and "No Cost" services.

Home modifications: Finds home modification services if the modifications are needed for work purposes.

Job accommodations: Employer is advised on worksite accommodations for the employee or provided equipment and assistive technology that will allow an individual to do work tasks more independently, effectively, and safely.

Mobility equipment: Services include referral for evaluation to determine mobility needs and recommended equipment/assistive technology.

Vehicle modifications: Car and van equipment modifications.

College training: Support for participating in a two- or four-year program that leads to a degree. Funding may include tuition, fees, books, supplies, room and board, assistive technology, interpreting services or CART services for the Deaf, and support services, depending on need and financial eligibility. Students are expected to attend school within the State of New Jersey.

Driver training: Helps consumers purchase driver training lessons if the lessons are needed for work purposes.

Skills training: Vocational school, technology or trade school, and business school training.

Bilingual services: DVRs employs vocational counselors who are bilingual Spanish-speaking or fluent in sign language. DVRs also provides interpreting services to assist communication with clients and DVRs staff.

Interpreting services: Interpretation services for the Deaf to help with job interviews and new job orientation training. DVRs also provides job coaches who are fluent in American Sign Language.

Funding startup costs for small business: Startup costs may be funded for those individuals whose vocational goal is a small business/self-employment. Funding for entrepreneur training may also be provided.

Department of Justice Announces Launch of Civil Rights Reporting Portal

A new online tool designed to help the public report civil rights violations

The Department of Justice announced the launch of the Civil Rights Reporting Portal. This new online tool will make it easier for the public to report a civil rights violation. The new Civil Rights Reporting Portal– located at civilrights.justice.gov – will consolidate over 30 unique reporting pathways. The portal will dramatically ease the burden on victims of civil rights violations to identify the proper reporting channel. The form is fully accessible to people with disabilities. It is also available in both English and Spanish, with more languages to be added over the next year. Individuals who believe that they may have been victims of civil rights violations can learn how to report violations by visiting civilrights.justice.gov. If you believe that you are a victim of criminal civil rights violations, such as misconduct by law enforcement officers, hate crimes, or human trafficking, please [contact your local FBI office](#).

Many New Jerseyans in need may be missing out on their \$1,200 federal stimulus check because they don't make enough income to regularly file taxes. Please help us get the message out that individuals with lower incomes who haven't received a stimulus check should visit the IRS web site. Non-tax filers must file a form available [here](#) with the IRS by October 15 to receive their stimulus payment. Also, please use the attached to share the message on your social networks and help us spread the word.

Miscellaneous Information

The National Alliance for Caregiving (NAC) would like to invite past and current caregivers of children with a serious illness to participate in a study entitled “Needs Assessment to Develop a Guidebook for Families and Caregivers of Children with Serious Illnesses” This study will be conducted by Mousumi Bose, PhD, Assistant Professor at Montclair State University, and will request your participation in one focus group discussion during July 2020 to share caregiving experiences faced during your journey that will inform the creation and development of this guidebook. To be eligible to participate in this focus group, you must be a past or current

caregiver of a child with any of the following: • a disorder that affects multiple organ systems • a neuromuscular disorder • a degenerative disorder • a disorder that results in both cognitive and physical disabilities • a disorder that requires some form of life support All participants who complete the focus group session will receive a \$50 gift card from the NAC. This study has been approved by the Montclair State University Institutional Review Board. To participate e-mail study@caregiving.org
