"I came to the CLTC 3 years ago scared and overwhelmed by my divorce. The Case Manager believed I could finish my degree in nursing when I did not. Through her gentle encouragement and guidance I found a school, enrolled and help with an education grant I finished my degree! Then the Career Advisor helped me create a modern resume. She encouraged and coached me to go to my first job fair. With new resume and wardrobe from CLTC I was offered my first nursing job and love it! I am forever grateful for the CLTC."
