ONE STOP OPERATOR'S REPORT

Program Year 2020

September 1, 2020 – September 30, 2020

RELAUNCH!
*A New Perspective on
Finding Meaningful Work
in Challenging Times*

Sponsored by the
Greater Raritan One-Stop Career Center
in collaboration with the **New Start Career Network**
a program of the **John J. Heldrich Center for
Workforce Development at Rutgers University**

On September 23rd, Steven Simon, Ph.D., President/CEO Human Services Outcomes Inc. and renowned author of the book *RELAUNCH! Stagnation, Change, and Renewal in Mid-Career and Beyond* was the featured speaker at a webinar event coordinated by Jan Goodman from the One Stop Career Center in collaboration with the New Start Career Network and the John J. Heldrich Center for Workforce Development at Rutgers University. This event drew the attention of job seekers, counselors and career coaches from around the state with nearly 100 participants tuning in live via Zoom to receive a message of hope and action for finding career fulfillment at all points in the career journey. Dr. Simon shared his own experience of having to shift employment mid-career and then presented the model he developed that supports folks in finding employment that ignites passion and brings meaning to their work. This workshop coincided well with this crossroads where we stand as job seekers begin to re-enter the workforce into a new world that continues to be shaped by the global health crisis. The One Stop will continue to collaborate with speakers that can bring us fresh perspectives on job seeking as we continue to navigate through these rapidly changing times. If you have a topic of interest that you would like explored in a virtual workshop, please contact Jan Goodman at jgoodman@co.somerset.nj.us or at 908-704-6351.

One Stop staff will return to working five days a week from the office beginning on October 5, 2020. Staff had been working a staggered schedule since July 13th, splitting time between the office and remote locations. County offices will remain closed to the public. Stay tuned for updates and more info!

In line with its mission to effectively serve all job seekers, on September 25th, the One Stop staff attended a webinar on the American Disabilities Act sponsored by the Boggs Center at Rutgers University, which focused on Title 1 and reasonable accommodations and equality in the workplace.

HOW TO THRIVE DURING TRANSITION AND CHANGE

Times of transition hold both challenges and opportunities. What are you really committed to in this moment?

Tony Robbins once said, *"Quality questions create a quality life."*

- Is your behavior consistent with what you are committed to?
- Are you present and engaged in your own life?
- Are you satisfied with your choices?
- Would you like to make better choices in the future?

Our life is made up of decisions. When we ask the right questions it heightens our awareness and allows us to see more clearly. The strategies and philosophies that will be presented in this workshop provide attendees with tools that self-empower. The workshop is designed to help you achieve your personal best both professionally and personally. It's a point of view that is based on choice. Self-empowerment feeds our unconscious mind to make conscious choices that allow us to be successful.
