

Make Career Connections Work For You

Looking for a job? These resources can make it a career!

The Greater Raritan Workforce Development Board, serving Hunterdon and Somerset counties, connects community members to a host of free services designed to support job seekers and get them on a successful career pathway.

During a virtual presentation, board staff will share these local, county, state and national resources, and how they can be used by job seekers.

Friday
February 19,
2021
11am - 12pm

The program will be presented by **Greater Raritan Workforce Development Board Director Paul Grzella**, who also will review the new virtual workforce programs available to residents of Hunterdon and Somerset counties.

For information on how to join the virtual program, go to www.thegrwdb.org.
