- The Roche Group, a pioneer in healthcare, was founded in 1896. Headquartered in Basel, Switzerland, Roche is active in more than 100 countries and has had roots in New Jersey since 1929.
- Laboratories perform more than 20 billion Roche tests per year in 150 countries.

Roche Branchburg Delivers

- Roche Diagnostics in Branchburg is the largest diagnostics manufacturing center for Roche in North America and the pioneer polymerase chain reaction (PCR) manufacturing site globally.
- More than 1,000 scientists, engineers, production specialists, and others work on Roche Branchburg's 64-acre campus. They develop and manufacture diagnostic tests that equip health care professionals around the world to detect and monitor disease, prevent transmission and enable early treatment to save lives.
- Our focus on quality operations enables us to maintain high-level certification and regulatory status with regulatory agencies around the world. The site is registered with the U.S. Food and Drug Administration as an In Vitro Diagnostics Manufacturer and with the Center for Biological Evaluation and Research as a Biologicals Manufacturer.

Roche Molecular Systems, Branchburg, NJ

Giving Back to the Community

- Roche has been recognized as the most sustainable company in the Dow Jones Sustainability Indices (DJSI) for the eleventh time. The Branchburg team is committed to conducting operations to protect the environment, the health and safety of employees, and the community.
- During the global COVID-19 pandemic, Roche Branchburg created the "Roche Goes to Town" program, through which the company purchases meals from local restaurants struggling to stay open and gives on-site employees free meals from these establishments.

Roche Molecular Systems

We Are Hiring

- Our Operations team in Branchburg, NJ is working hard to manufacture diagnostics products that provide much needed testing for patients around the world.
- Interested in making a difference? We have several positions available including:

- Lab Technician
- Production Technician
- Production Mechanic
- Manufacturing Supervisor

- Apply today for these or other positions at www.roche.com/careers

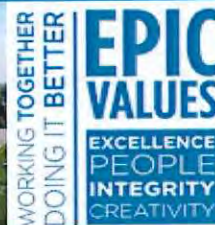

- In Branchburg, a talented, dedicated team produces world-renowned medical tests in an environment that feels like family. The center offers a tight-knit yet welcoming culture of diversity, embracing inclusivity as the catalyst to fueling and capturing the value of diverse mindsets and thinking.
- Over the years, Roche Diagnostics in Branchburg has been at the forefront of helping to address some of the world's most daunting healthcare challenges.
 - The Branchburg site was the first to develop high-throughput HIV/AIDS, SARS, and Zika virus tests.
 - On March 12, 2020, Roche was the first to receive FDA Emergency Use Authorization for the high-throughput cobas® SARS-CoV-2 test to detect the novel virus that causes COVID-19 disease. By the end of 2020, Roche Branchburg produced more than 100 million tests for patients worldwide, demonstrating the technological and scientific excellence of its advanced diagnostic innovation and operational agility.
 - Since then, Roche Branchburg has produced three additional tests, including a high-throughput PCR test to detect COVID-19 variants.

Roche is an equal opportunity employer and strictly prohibits unlawful discrimination based upon an individual's race, color, religion, gender, sexual orientation, gender identity/expression, national origin/ancestry, age, mental/physical disability, medical condition, marital status, veteran status, or any other characteristic protected by law.

Turning polymers into possibilities.

Zeus is seeking candidates to help provide world-class products to a diverse customer base.

Located on Rt. 202 in Branchburg, NJ, Zeus offers careers...not just jobs. Relationships are important to us. Working conditions are second to none in our brand new, state-of-the-art manufacturing facility. All work areas are heated and air-conditioned, and the work environment is very clean and organized.

Zeus is unusual in today's manufacturing world. We are still family-owned and have no interest in outsourcing work. We believe in the New Jersey workforce and are committed to manufacturing right here in Somerset County.

What we do saves lives...What we do matters.....

Why Zeus...

We have what you want:

- \$22.84 to start, \$25.14 after 1yr
- Stable Employment for Nearly 60 Years
- Comprehensive Medical and Prescription Plan (Less than \$60 a week for Family Coverage)
- Dental Coverage— No Additional Cost
- 401(k) Plan—50% Employee Contribution Matching from Day 1
- On-site Medical Clinic and Gym
- Vision Options at Minimal Cost
- Life Insurance —Including Optional Life Coverage
- 10 Paid Holidays
- Paid Vacation
- Flexible Spending Accounts
- Free Uniforms
- Monthly Employee Lunch—Yes, a free lunch!

Why Not Zeus...

This might be the hard part:

- Shift is 5:30pm to 5:30am Monday-Friday
- Work a majority of Saturdays
- 60-69 hours nearly every week
- Could be on Night Shift 10+ years

But....

If you can work the hours,
a career at Zeus
can be a very rewarding and stable
opportunity.

If we have what YOU need:

Emergency Rental Relief

*These are unprecedented times with hardships
that no one could have anticipated.*

If the pandemic has caused a loss of income that makes it difficult for you to pay your rent,
consider applying for rental relief through the

SOMERSET COUNTY CDBG-CV EMERGENCY RENTAL RELIEF PROGRAM

This program is funded with your federal tax dollars.

In order to be eligible, you must:

- Be a resident of any Somerset County municipality (except Franklin Township) and have a current 12-month lease or rent agreement.
- Have a household income that is less than the following income limits, based on family size:

1 Person	\$66,900	2 People	\$76,500	3 People	\$86,100
4 People	\$95,600	5 People	\$103,200	6 People	\$110,900
- Provide documentation of a COVID-related loss of income after March 9, 2020.
- Have a Social Security or Individual Taxpayer ID number and paystubs that document gross and net earnings.

In order to receive assistance, you must submit an application.

The application process is **QUICK & EASY** and your information is kept **PRIVATE**.
To get started, or find out more about rental relief while funds are still available ,visit:

www.co.somerset.nj.us/CDBG-CVERR

*From most web browsers, you can view the County webpage in another language. On the top right of each County page,
bring your cursor to and click on "translate" to choose a specific language.*

You can also print the application from that link and submit the printed copy via email to:
commdevelop@co.somerset.nj.us

**You can request a paper copy of the application to be mailed to you by using the email address
or by calling the Community Development Office at: 908-541-5756.**

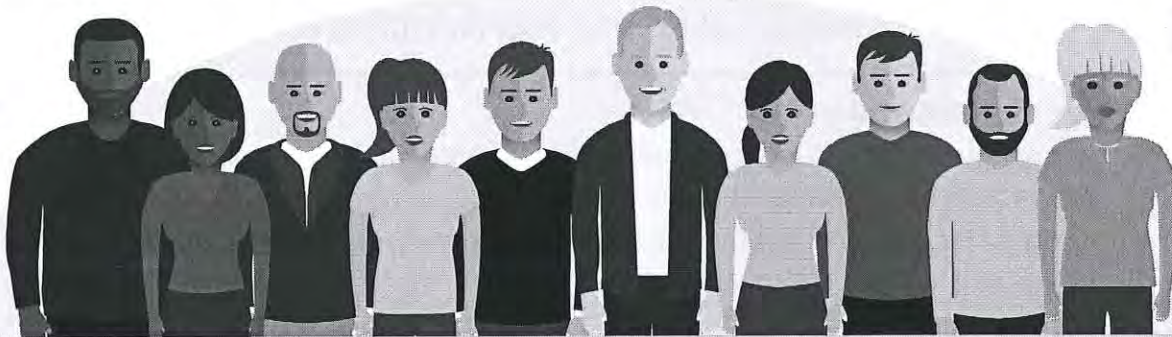

ZUFALL HEALTH ONE-SHOT VACCINE WAITING LIST

Somerset County has partnered with Zufall Health Center to make one shot J&J vaccinations available to anyone that:

- Is temporarily living with friends or family
- Is doubled up with another household
- Lacks a permanent address
- Lives in a unit scheduled for eviction or foreclosure
- Is a migrant worker
- Lives in a motel, rooming house, temporary housing, or overcrowded unit
- Lives in substance use treatment/sober living facility or a group home
- Was recently released from a jail/detention center

Any Somerset County resident that is a member of one of these groups can call the Somerset County COVID Hotline at **(908) 231-7155**

Monday through Friday: 8:30am – 8pm • Saturday: 10:00am – 4:00pm

Callers should indicate that they would like to be placed on the ***Zufall Waiting List***.

THIS IS NOT TO GET AN APPOINTMENT, THIS IS TO BE CONTACTED TO MAKE AN APPOINTMENT WHEN THERE IS A VACCINATION CLINIC.

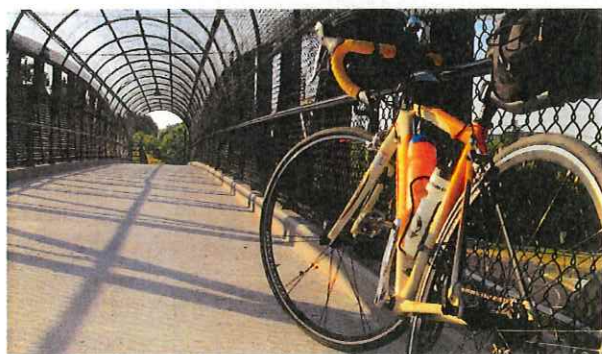

J&J vaccine for this program is provided by the U.S. government directly to Zufall Health specifically for these groups and does not reduce Somerset County's vaccine allocations or impact its clinics for seniors or other Somerset County residents.
