

# Job Search 101: A Free Webinar

## Webinar

Wednesday,  
June 2, 2021

7 p.m.  
to 8 p.m.

### ***Literacy = Opportunity***

Adult ESL students spend months learning a new language and new skills in order to successfully walk along a career pathway. But looking for jobs can be challenging.

The Greater Raritan Workforce Development Board, serving Hunterdon and Somerset counties, is a resource all residents, including literacy students and literacy educators, can use to get connected to local jobs.

This free workshop, developed by the Greater Raritan Workforce Development Board and Literacy Volunteers of Somerset County, will introduce literacy students to the board's resources.

### **Topics to be covered include:**

- What jobs are available now (i.e., warehouse, transportation, healthcare, etc.)?
- How do you prepare to get those jobs and keep those jobs?
- How do you learn about industries that are hiring/which industries are "hot"?
- How can the Greater Raritan Workforce Development Board help?

Registration is recommended but not required. To register, email [info@thegrwdb.org](mailto:info@thegrwdb.org) and provide your name and hometown. Webinar details will be provided.
