

**We connect job seekers to a variety of services to help individuals reach their fullest potential.**

## Employment Services for Job Seekers

Goodwill Industries of Greater NY and Northern NJ provides a variety of training, placement, and support for job seekers to gain their independence through the power of work.

### Services We Provide:

- Assistance with resume development, interviewing techniques & training on basic computer skills.
- Customized job development and placement, based on interest, abilities and work experience.
- Job supports to build work-related skills and resolve barriers towards retaining employment.
- Referrals for actual interviews with local employers.

### Are you qualified?

Applicants must be referred by the Department of Vocational Rehabilitation Services or have a document disability to register with our staffing agency. Admissions are rolling.
