3. Scope of Work (SOW)

3.1 Background

Greater Raritan Workforce Development Board (GRWDB) serves the counties of Hunterdon and Somerset, New Jersey, as established by the Boards of County Commissioners of the Counties of Hunterdon, New Jersey and Somerset, New Jersey and designated by the New Jersey State Employment and Training Commission as described in the Workforce Innovation and Opportunity Act of 2014 (WIOA) and the New Jersey State Employment and Training Commission in the New Jersey Combined State Plan for WIOA, 2016, and updated in 2019.

Members of the Greater Raritan Workforce Development Board are appointed by the respective Boards of County Commissioners consistent with the Joint Agreement between parties. The members of this public-private partnership are responsible for oversight of the workforce development and delivery system in the two counties, working to ensure the needs of businesses and job seekers are met. This includes the investment of federal grant funds through WIOA, investment of state grant funds through WorkFirst New Jersey, and establishment of policy and oversight of the One-Stop Career Center locations in the two counties and the local

area's One-Stop Operator. WIOA requires that the GRWDB secure a One-Stop Operator through a competitive bid basis.

The GRWDB employs staff to work collaboratively with all partners, including the One-Stop Operator, to address the short- and long-term needs of employers and job seekers in the two counties.

The County of Somerset, New Jersey serves as the Fiscal Agent and the administrative entity for the Greater Raritan Local Area with respect to federal WIOA and WorkFirst NJ funds.

The primary provider of direct services to individuals through the federal and state grant funds in the Greater Raritan Local Area is the Somerset County Department of Human Services through a unique division titled in federal law as Career Services. This arrangement is consistent with the Joint Agreement between the two counties. The One-Stop Operator will work with the Greater Raritan Career Division and all local system partners and service providers to ensure that the policy planning and outcome priorities of the GRWDB are met.

Sub-recipient and other contracting methods used by the Greater Raritan Career Services will follow the established procedures of the Somerset County purchasing agent.

3.2 Eligible Applicants

As defined by WIOA, organizations eligible to apply under this solicitation include governmental entities, non-profit organizations, and for-profit organizations with proven records of success in providing the One-Stop Operator services.

3.3 Vision

- Increasing the engagement of employers and job seekers with a focus on taking what was learned during the pandemic to expand outreach and develop innovative methods to provide workforce services.
- Expanding opportunities for employers with a focus on providing new and innovative services to local businesses.

WIOA requires local board to establish a One-Stop delivery system and conduct oversight of that system that leads to the creation of a seamless and robust customer-focused OneStop delivery system. The resulting system integrates service delivery across all programs and enhances access to all programs available in the system.

The One-Stop partners that carry out a required program or activity in a local area “shall provide access through the One-Stop delivery system to such program or activities carried out by the entity, including making the career services that are applicable to the program or activities available at the One-Stop centers (in addition to any other appropriate locations).”

In addition, some may require temporary financial assistance, needs based payments or supportive services. The One-Stop Operator will ensure that staff members in the Career Centers as well as other system partners and service providers help all customers access the services and information they need, as envisioned by the GRWDB.
