

Virtual Information Session

Hackensack
Meridian *Health*

Friday,
September 30
2022
9:30 a.m.

This is a Virtual
Information Session
open to all
job seekers

Hackensack Meridian Health is a leading not-for-profit health care organization that is the most comprehensive and truly integrated health care network in New Jersey, offering a complete range of medical services, innovative research and life-enhancing care. Hackensack Meridian Health's goal is to create one integrated network that changes how healthcare is delivered in New Jersey. Learn more at an upcoming Virtual Information Session, presented by the **New Jersey Department of Labor and Workforce Development**.

Position areas include: Hospitality & Support Services, Nursing, Allied Health and Corporate/Business within Union, Middlesex, Somerset, Monmouth and Ocean Counties.

Info Session: The employer will provide information on the company, open positions, work hours, benefits, opportunity for growth and application process, and answer questions.

To register, use this link: <https://bit.ly/3eV0t6F> or the QR code to the right. The event info and link will be provided upon completion of the registration.
