

NJDMCC MANUFACTURING CAREERS

VETERAN TRAINING VIRTUAL INFORMATION SESSION

NJMEP

Helping New Jersey Manufacture Success

NJMEP is inviting Veterans and Veterans' family members to become part of the NJ Defense Manufacturing Community Consortium. Gain access to certification programs to prepare for a career in the advanced manufacturing industry.

Join them for a Virtual Information Session on

Wednesday, January 18, 10:00 am start

to learn about requirements and how to apply.

Three certifications are available: (CLA) Certified Logistics Associate, (CLT) Certified Logistics Technician, and (CPT) Certified Production Technician.

To register, use the QR code or this link:
