Learn how to make your first impression memorable. Do you know all the rules and protocols for proper and polite job-hunting behavior? Go the extra mile to show employers you are the right fit. Job Fair etiquette will also be covered.

The art of portraying a poised, self-confident image in today's demanding business atmosphere is a skill that is much too often overlooked by many professionals, but not by those observing and making critical judgments based upon the person's communication. Many people have adopted relaxed standards that are not appropriate in business and interview settings.

In this workshop you will gain skills in the following areas:

- Six ways to sabotage positive first impressions
- How to deal with feelings of powerlessness and helplessness
- Practice business etiquette to build and maintain relationships
- Learn valuable techniques to deal with difficult situations
- Deliver your message: verbal, non-verbal and written in a positive way
- Learn proper introductions and professional presence
- Proper Grooming and appearances matter
- Netiquette; Emails, Faxes, Conference Calls, Mobile Phones, the new electronic protocols and manners
- Job Fair Etiquette
