

Greater Raritan Pathways to Recovery

Looking for career opportunities?

If the opioid epidemic has impacted you directly or indirectly, as a family member or friend, and you have an employment need, you may be eligible to participate in the Greater Raritan Workforce Development Board Pathways to Recovery program.

This career-focused program includes:

- In-demand occupation training opportunities through the Greater Raritan One-Stop Career Training Center or Peer Recovery Specialist certification training coupled with 500 hours of paid experience
- Career readiness and soft skills training with program partner Prevention Links to support job success, including enrollment in the SkillUp Greater Raritan Job Readiness Badge program
- Individual employment case management and mentoring from Prevention Links
- Access to supportive services from Prevention Links to overcome barriers and achieve goals

Residents of Hunterdon or Somerset Counties interested in assistance may contact Greater Raritan Pathways to Recovery Navigator Nakeyda Wheeler at (908) 203-6047, (908) 530-9030 or nwheeler@co.somerset.nj.us
