What is an Apprenticeship?

An Apprenticeship is a paid position where participants become skilled in a trade or profession—they 'earn while they learn.' Apprenticeship training combines classroom learning with hands-on work.

The benefits of an Apprenticeship.

The average starting wage at the completion of an apprenticeship program is \$50,000. Employers can create career ladder pathways for the organizations. Apprenticeships can be used to bring new staff on or upskill current staff.

Join District 1199C representatives on Tuesday, April 25, at Raritan Valley Community College's Workforce Training Center in Branchburg to learn about free apprenticeship development and support services for employers in the care economy, including:

- ❖ ***Technical assistance for new and existing programs***
- ❖ ***Curricula and Program Standards for new programs***
- ❖ ***Assistance with USDOL program approval***
- ❖ ***Financial assistance and much more.***

The in-person event will run from 11 a.m. to 2 p.m. and will include lunch. Virtual attendance is also possible. To register, use the QR Code at right or go to <https://bit.ly/3GfvA7J>. For details, contact 215-568-2220.
