Our last Workforce Wednesday workshop touched on stress and taught us how to predict it and prevent it. In the next episode of our FREE **Workforce Wednesday** workshop series, the **Middlesex County Office of Workforce Development and Career Opportunity** will recognize **Small Business Month** by hosting local Middlesex County Small Business Owners for a panel discussion about how business owners are addressing their hiring challenges, needs, and vision for the future of their employee workforce. Come join our staff and featured guests to gain insight into what they are looking for in potential candidates and how they approach employee retention. The live virtual event will take place on [Wednesday, May 17 at 11:00 AM](#) via **Zoom**.
