## 1. Introduction

The Greater Raritan Workforce Development Board (GRWDB), serving Hunterdon & Somerset Counties, New Jersey, has oversight responsibilities of the Greater Raritan One Stop Career Training Services Center. The GRWDB allocates Workforce Investment and Innovation Act (WIOA) and other federal and state funds to the Greater Raritan One Stop Career Training Services Center (Greater Raritan One Stop). The Greater Raritan One Stop is tasked with investing these federal funds in programs and services that support the organization in meeting or exceeding performance measures established by the United States Department of Labor (USDOL), the New Jersey State Education and Training Commission (SETC) and the New Jersey Department of Labor (NJDOL).

Career paths vs. employment is a strategic objective which aligns with the mission of Workforce Innovation and Opportunity Act (WIOA) youth programming: to ensure that youth with federally defined barriers to employment are prepared for placement in a career path that will sustain financial independence. This will be accomplished through work readiness education, participation in a work experience and receipt of a nationally recognized credential.

Under WIOA, there are 14 program elements that must be made available to youth participating in programming. This RFP addresses eight of these program elements: paid and unpaid work experiences; occupational skill training; education offered concurrently with workforce preparation activities; leadership development opportunities; financial literacy; entrepreneurial skills training; services that provide labor market and information; and post-secondary preparation and transition activities.

The Greater Raritan One Stop, through the designated Fiscal Agent, County of Somerset, New Jersey, is issuing a Request for Proposals for one or more organization(s) to provide WIOA Youth Recruitment and Referral and WIOA Youth Work Based Learning for youth ages 16-24 in Hunterdon County and in Somerset County.

Respondents are expected to understand federal and state laws, regulations and guidelines governing the use of WIOA Youth funds and must deliver services consistent with those laws, regulations, and guidelines.

Respondent agrees to comply with the requirements for EEO/Affirmative Action, NJSA 10:15-31 and NJAC 17:27, Americans with Disabilities Act of 1990, Title 2 US Code of Federal Regulations Part 200, Uniform Administrative Requirements; Cost Principles and Audit Requirements ("Uniform Guidance") and NJ circular 15-08 OMB. Contractor agrees to provide a copy of an agency audit on an annual basis in compliance with subpart F audit requirements of uniform guidance (2 CFR 200.500).

The successful respondent will be contracted through the County of Somerset, New Jersey, Department of Human Services.

The Request for Proposal is for WIOA youth programming to be provided by one or more organization(s) for the time period of July 1, 2021 – June 30, 2022 with the option to extend the contract on an annual basis for up to an additional four (4) years through June 2026. The total anticipated funds available for the first 12 months is \$265,000.00 and must serve a contracted minimum number of youth in Hunterdon County and Somerset County (see details in section below).

**Funding is dependent upon receipt of funds from the New Jersey Department of Labor for each fiscal year. There is no guarantee of funds or of contract extension. Funding recommendations will be made to the Somerset County Board of County Commissioners during the annual GRWDB Budget Process.**

Anticipated Funding and Level of Service

**Funding is dependent upon receipt of funds from the New Jersey Department of Labor. There is no guarantee of funds or of contract extension.**

The successful respondent must provide WIOA youth programming until the end of the contract year once minimum levels of service are met. The **estimated** minimum level of service based on anticipated funds is indicated below. Responders are to check the County of Somerset website for addendum ([www.co.somerset.nj.us](http://www.co.somerset.nj.us)). If actual funds are known, it will be posted.

Program Design

This request for Proposals is part of a larger continuum of services designed to serve eligible youth in Hunterdon and Somerset Counties. The three elements of this program design include:

- Youth Recruitment and Referral: Activity where potentially eligible youth are identified, recruited and referred to Youth Employment Services for final determination of eligibility based on federal regulations.
- Youth Employment Services (YES): Activity where referred youth develop Individual Services Strategies (ISS) and receive tutoring to address literacy and numeracy, intensive case management and referral to ancillary services (such as mental health/substance abuse counseling and housing) that address primary barriers to employment, referrals to Youth Work Based Learning and twelve months of follow up.
- Youth Work Based Learning: Activity where eligible youth receive work readiness education, hands on work experience and a nationally recognized credential, which is not foundational. The following credentials are considered to be foundational at this time by NJDOL: CPR/AED; OSHA and ServSafe. YES staff will be available for consultation as to what constitutes a valid credential, as determined by NJDOL.

This RFP is seeking proposals for Youth Recruitment and Referral and Youth Based Work Learning and Credential. This RFP is not seeing proposals for Youth Employment Services (YES) programming.

### **2.15 Termination of Contract**

If, through any cause, the contractor shall fail to fulfill in a timely and proper manner obligations under the Contract or if the contractor violates any requirements of the Contract, the owner shall thereupon have the right to terminate the Contract by giving written notice to the contractor of such termination at least thirty (30) days prior to the proposed effective date of the termination. Such termination shall relieve the owner of any obligation for the balances to the contractor of any sum or sums set forth in the Contract.

The contractor agrees to indemnify and hold the owner harmless from any liability to subcontractors/suppliers concerning payment for work performed or goods supplied arising out of the lawful termination of the Contract by the owner under this provision.

In case of default by the contractor, the owner may procure the articles or services from other sources and hold the contractor responsible for any excess cost occasioned thereby.

### **2.16 Non-Allocation of Funding Termination**

Each fiscal year payment obligation of the Owner is conditioned upon the availability of Owner funds appropriated or allocated for the payment of such an obligation. If funds are not allocated and available for the continuance of any services performed by the Contractor hereunder, whether in whole or in part, the Owner at the end of any particular fiscal year may terminate such services. The Owner will notify the Contractor in writing immediately of any services that will be affected by a shortage of appropriated funds. This provision shall not be construed so as to permit the Owner to terminate this Agreement during the term, or any service hereunder, merely in order to acquire identical services from a third-party contractor.

### **2.17 Force Majeure**

Neither party shall be responsible for any resulting loss or obligation to fulfill duties as specified in any of the terms or provisions of this Agreement if the fulfillment of any term or provision of this Agreement is delayed or prevented by any revolutions, insurrections, riots, wars, acts of enemies, national emergencies, strikes, floods, fires, acts of God, or by any cause not within the control of the party whose performance is interfered with which by the exercise of reasonable diligence such party is unable to prevent. Additionally, if the fulfillment of any of the terms and provisions of this Agreement is delayed or prevented by any court order, or action or injunction or other such agreement, this Agreement shall become voidable by the County of Somerset by notice to each party.

**2.18** The owner and the Contractor each bind themselves and their successors, executors, administrators, heirs and assigns and legal representatives of the other party respecting all covenants and agreements and obligations of this contract.

**2.19** The terms of this contract shall be construed and interpreted, and all respective rights and duties of the parties shall be governed by the laws of the State of New Jersey.

### **2.20 Challenge of Specifications**

Any respondent who wishes to challenge a specification shall file such challenge in writing with the Purchasing Agent no less than three (3) business days prior to the opening of the RFP's.

Challenges filed after that time shall be considered void and having no impact on the owner or the award of contract.

Somerset County will provide a sample Progress Report and Invoice for the Hired Consultant to ensure compliance.

The owner may withhold all or partial payments on account of subsequently discovered evidence including but not limited to the following:

When the above grounds are removed, payment shall be made for amounts withheld because of them.

Invoices shall specify, in detail, the period for which payment is claimed, the services performed during the prescribed period, the amount claimed and correlation between the services claimed and the Proposal Cost Form.

## **2.22 Non-payment of Penalties and Interest on Overdue Bills**

No employee is authorized to sign a letter of credit or any other document that represents a legal commitment on the part of the County to pay additional fees.

## **2.23 Ownership of Material**

The owner shall retain all of its rights and interest in any and all documents and property both hard copy and digital furnished by the owner to the contractor for the purpose of assisting the contractor in the performance of this contract. All such items shall be returned immediately to the owner at the expiration or termination of the contract or completion of any related services, pursuant thereto, whichever comes first. None of the documents and/or property shall, without the written consent of the owner, be disclosed to others or used by the contractor or permitted by the contractor to be used by their parties at any time except in the performance of the resulting contract.

Ownership of all data, materials and documentation originated and prepared for the owner pursuant to this contract shall belong exclusively to the owner. All data, reports, computerized information, programs and materials related to this project shall be delivered to and become the property of the owner upon completion of the project. The contractor shall not have the right to use, sell, or disclose the total of the interim or final work products, or make available to third parties, without the prior written consent of the owner. Under state and federal statutes, certain government records are protected from public disclosure. In addition, youth must face one or more of the following challenges:

- Basic skills deficient (as assessed through the state mandated CASAS test)
- Documented disability (physical, mental health or learning disability)
  - If a disability is disclosed, the respondent must require that youth bring documentation detailing their disability for review. Respondent should make determination of eligibility based on review of this documentation.

Any changes in eligibility are dependent upon new guidance and directives from NJDOL.

Please see Section 3.2 for the detailed information that must be submitted with each proposal.

##### **Program C: Youth Work Based Learning and Credential**

Following are the requirements for responding to the Youth Work Based Learning element of this Request for Proposals.

As mandated by WIOA, each local area must make a 20% investment of its total WIOA youth funds in Youth Work Based Learning. The elements contained in the portion of the scope of work address that mandate. Youth Based Learning and Credential provides activities that help youth transition to postsecondary education and training. In addition, the Youth Based Learning and Credential provides education offered concurrently with and in the same context as workforce preparation activities and training for a specific occupation or occupational cluster.

The Youth Work Based Learning and Credential requires the successful respondent to provide work readiness related training and credentialing services to enrolled participants from Hunterdon County and from Somerset County. Respondents must address both Youth Work Based Learning and Credential components of this Request for Proposal.

A total of 116 youth from both Hunterdon County and Somerset County will be recruited and referred to the YES Program, as outlined above in the Scope of Work (Program A and Program B). The YES Program, based on confirmed eligibility and the needs identified in the Individual Services Strategy, will refer appropriate youth to the Youth Work Based Learning and Credential program. It is anticipated that YES staff will refer a minimum of 45 eligible youth to the Youth Work Based Learning and Credential program. The successful respondent must provide a Youth Work Based Learning and Credential Program to a minimum of 45 youth from Hunterdon County and Somerset County.

The successful respondent must provide a stipend at the hourly rate set by the State of New Jersey for minimum wage (currently \$12.00 an hour) for participation in Work Readiness Classroom Training, Community Service and Work Based Learning elements of the Work Based Learning Programming.

Upon referral to Work Based Learning, an orientation must be conducted with the participant detailing the program.

The Work Based Learning and Credential must provide the following four program elements in a 90 day timeframe from time of intake:

1. Element I: Work Readiness Classroom Training (minimum of 10 hours in total)

Classroom training must prepare youth to successfully obtain and maintain employment. Work Readiness Classroom Training must be completed before being placed in a Work Based Setting. As mandated by WIOA, the curriculum must include the following: financial literacy, entrepreneurship skills and labor market and employment information for the local area. In addition, curriculum must include, but is not limited to, instruction in the following areas: resume writing, interview skills, workplace behavior, conflict resolution, use of public transportation, how to obtain a driver's permit and license and dress for success. Each youth who completes Work Readiness Classroom Training must be provided with a resume that can be used for job search. A copy of this resume must be forwarded to YES Program staff.

2. Element II: Community Service (minimum of 4 hours in total)

The respondent must provide leadership opportunities for youth through completion of a total of 4 hours of community service before being placed in a Work Based Learning setting.

3. Element III: Work Based Learning (maximum of 4 weeks)

Work Based Learning requires the respondent to partner with local businesses to provide one or more of the following to youth: internship, job/career sampling, job shadowing and/or on the job training. For each youth, a specific Work Based Learning Plan must be developed based on the participant's interests and aptitude in one of the following industry sectors: Life Science; Transportation/Logistics/Distribution; Financial Services; Advanced Manufacturing, Health Care; Technology and Leisure/Hospitality/Retail.

4. Element IV: Credential

The successful respondent must ensure that each youth participates in programming that will result in a nationally recognized credential. Receipt of a credential, along with completion of the three other program elements, indicates a successful program completion. Each participant must receive a credential that is specific to his/her chosen career path and have a connection to one of the following industry sectors: Life Science; Transportation/Logistics/Distribution; Financial Services; Advanced Manufacturing, Health Care; Technology and Leisure/Hospitality/Retail.

While the participant is in the work based learning portion of the program, respondent will be required to submit a progress report to YES staff on a weekly basis. The update may be submitted in any format but must detail what has been accomplished with each individual participant in the previous week.

Once all four elements are complete, the successful respondent will contact YES staff and inform them that the participant has completed. An exit meeting will be scheduled where the respondent, YES staff, and participant will review their time in work based learning to determine next steps.

In addition to the exit meeting, the respondent will provide paperwork that details the completion of the four elements including the types and dates of services completed. Acceptable forms documentation is established by directives from NJDOL and may change, dependent upon updated guidance.

Please see Section 3.2 for the detailed information that must be submitted with each proposal.
