

MIDDLESEX COUNTY LIFE SCIENCES CAREER EXPO

Is your Life Sciences company actively hiring?
Are you seeking qualified, experienced professionals?

Middlesex County enjoys the largest life sciences workforce in New Jersey and the highest concentration of BioTech talent in the U.S. consisting of over 11,000+ professionals.

We're bringing together hundreds of mid-senior level professionals to fulfill your hiring needs and connect your company to candidates that have the skills and knowledge you're seeking.

This event is hosted by The Middlesex County Office of Workforce & Career Development in partnership with The New Jersey Department of Labor and Workforce Development.
