Employee Skill-Building and Retention

More Than a
Platform – A
Partner in Your
Success

SkillUp Greater Raritan using Metrix Learning® features more than 7,000 courses that can be used for internal employee assessment and upskilling. The white-glove service package includes includes:

- ✓ **Customizable solutions** – Tailor training programs to meet your employees' needs
- ✓ **Dedicated Support** – Metrix Learning helps businesses track employee course progress with reports on accesses, course completions and training hours.
- ✓ **Proven Expertise** – Metrix Learning has a decade-plus of experience in helping businesses meet their goals.

Course Topics may cover:

- **Entry-Level Skills**, including Communication and Teamwork
- **Manager/Supervisor Skills**, including Leadership and Feedback
- **Other Skills**, including Microsoft Office, Customer Service, Project Management, HR and Data Analysis

This service is free to employers through Greater Raritan Workforce Development Board grant programs.

Employers are encouraged to reach out as their schedules permit to set up demos with Metrix Learning representatives.

To get started today, email info@thegrwdb.org or call **908-541-5790**.
