# US Navy Maritime Industrial Base (MIB) Program/[buildsubmarines.com](http://buildsubmarines.com) Educational Resources

*Virtual Information Session: Friday February 27<sup>th</sup>, 2026. 11:00am EST*

RSVP: email [john.p.nugent15.ctr@us.navy.mil](mailto:john.p.nugent15.ctr@us.navy.mil)

**Presenter: Dr. Carrie Curtis,  
Workforce Development  
Education Initiatives Lead,  
US Navy MIB Program**

This 45 min session will provide:

- introduction to the US Navy MIB and #buildsubmarines mission
- MIB and [buildsubmarines.com](http://buildsubmarines.com) resources for educators that you and your districts can take advantage of
- guidance on how your district can move the needle towards America's maritime manufacturing mission by enhancing STEM programs, connecting with employers, educating students and parents, and more!
